£339**

The Twist is an innovative product

that offers more flexibility than most standard banners systems and popups. Systems feature an integrated light as standard and a single unit takes around 90 seconds to assemble. Importantly, Twist banners can be used in a wide variety of configurations to suit different floor space available. Their high stability allow a range of accessories to be incorporated, including laptop shelf, literature dispenser and LCD bracket.

easy assembly infinitely linkable flexible & versatile

Video Production packages start from **£2,495** for a short 2 minute which allows for pre-production, one day of programme filming, titles, editing and music track. A master copy is supplied on DVD.

IVCA Award Winners

CONFERENCE & LIVE EVENTS

We offer a fully integrated production service for a wide range of events from breakfast seminars to awards ceremonies for over 1,000 guests. Our services include:

- 3D set design
- Set build and construction
- Audio visual equipment and technicians

Events are quoted on a bespoke basis but a simple AV configuration suitable for upto 150 delegates starts at **£1,399**. This allows for flatwall or Astralite set with rear or front projection screen, lectern, projector, graphic switcher, laptop, 4 speaker PA system with lectern mics and radio mic and simple lighting package with set uplighters.

The above fees include mileage (within 50 mile radius of Liverpool) but not expenses, overtime and travel time.

For a full detailed quote please download our briefing questions at <http://www.millsmediagroup.com/downloads> and return them to us completed. We will then prepare a written proposal along with 3D visuals.
